Disclaimer: All prices are current as at 18/06/2024 and do not include transfer duty, settlement costs and any fees and disbursements associated with settlement of the land. Pricing and availability are subject to change without notice. Fiveight is not the builder of the house but has permission from the builder to advertise the house for the price specified. The housing plan and features are provided for your information only and Fiveight make no representations or accept any liability in relation to the house plan, features or any contact with or information provided by the builder. If you proceed with a lot and house you will be entering into separate house and land contracts through Fiveight and the relevant builder. All lot and house measurements are approximate and may vary from the plan. Refer to Contract for full details. The disclaimer published on the Project website applies to this publication.
